WE STRIVE TO PROVIDE HIGH-QUALITY SERVICE AND SUPPORT WITH THE LATEST AND MOST INNOVATIVE TECHNOLOGY TO-DATE

WHO WE ARE ?

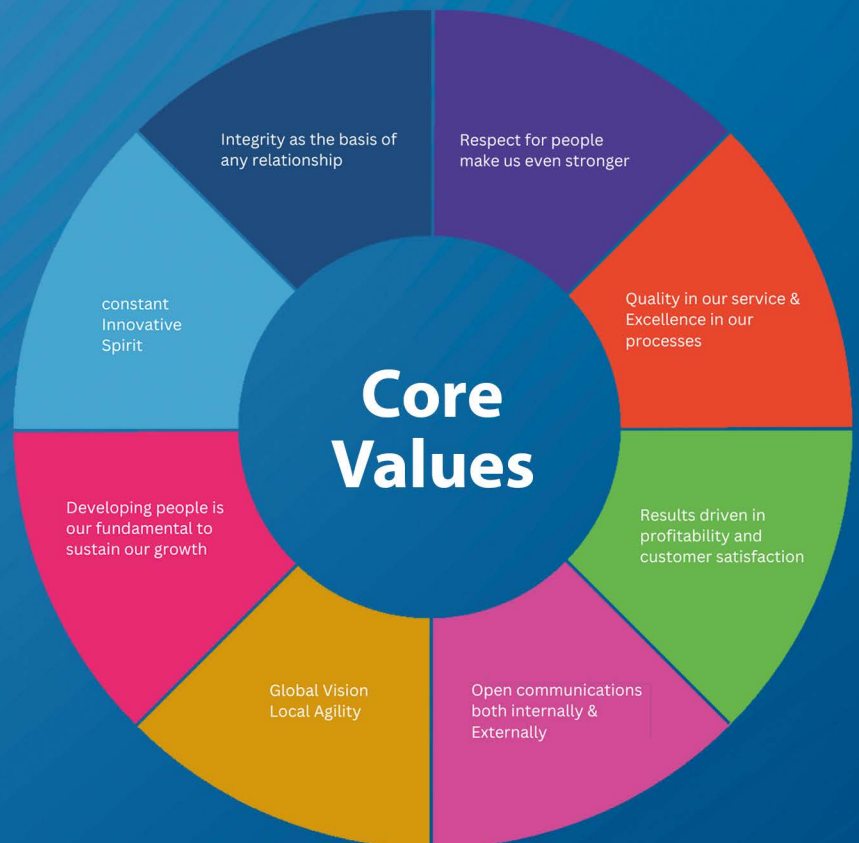

Our Company

CubeX International LLC is a prominent value-added distributor specializing in digital technology, artificial intelligence, and engineering solutions. Founded in 2018 and based in Abu Dhabi, UAE, the company has positioned itself as a key player in the distribution of cutting-edge technologies across the Middle East, Africa, and Asian regions.

As a value-added distributor, We likely offers a range of services beyond just product distribution. These services may include technical support, training, and assistance with product integration to help businesses and organizations make the most of the technologies they provide. The company's presence in Abu Dhabi, a hub for technological innovation and business activity, further enhances its strategic position in serving these regions, which have seen significant growth in the adoption of digital technologies and artificial intelligence in recent years

CubeX International LLC is a subsidiary of the well-established SS GROUP, which has been operating and serving the Asian region for the past ten years.

At Cubex, we always
Delivering Excellence !

Our vision

Our long-term vision is to become that value added distributor company who can deliver all the latest products/goods related to the engineering/technology sector all around the world. We will introduce and deliver the latest innovations in the engineering sector by having geological presence in all the major continents of the world.

Our Mission

Company mission is to always upgrade ourselves to exceed the expectations of our customers by providing excellent service, introducing the latest technology, and delivering the excellent goods to our clients. We believe that our mission is a roadmap to meet our company vision, which is to be there in all the corners of the world to deliver the latest technology goods/solutions to the mankind.
